In connection with the Purchase Agreement, Buyer has also agreed to make additional loans (the "Supplemental Loans") to the Company, on the terms and subject to the conditions set forth in a Loan and Security Agreement of even date herewith (the "Loan Agreement").

B. It is required under the Purchase Agreement that Motorola assign all of Motorola's rights, duties and obligations under that certain Amended and Restated Security Agreement, dated as of August 17, 2000, as amended from time to time (as amended, the "Motorola Security Agreement") to Buyer.

C. In addition, the parties have also agreed to amend the Motorola Security Agreement so that any Supplemental Loans made pursuant to the Loan Agreement shall constitute additional loans under the Motorola Security Agreement, and shall be secured by the security interests granted thereunder.

D. Capitalized terms shall have the meanings set forth for such terms herein and, if not defined herein, shall have the meanings set forth in the Purchase Agreement.

AGREEMENT

In consideration of the mutual promises, covenants and conditions hereinafter set forth, the parties hereto agree as follows:

1. Assignment. Motorola hereby assigns to Buyer, and Buyer hereby accepts, all of Motorola's right, title and interest in and to the Motorola Security Agreement and the collateral subject thereto.
